Planting Churches

Impacting lives and communities in Ethiopia by multiplying and growing Christ followers.

Lives are Being Changed!

God is moving in great and wonderful ways!! Over the last year, 969 people have accepted Jesus as their Lord and Savior throughout all our church plants, and 18 new church plants have been planted. Here, you can see just some of the lives that have been saved. Thank you for being a part of it!

Mudslide Outreach Update

If you read our last email newsletter, we told you how we reached out to mudslide victims in southern Ethiopia with basic food needs. Now we have a chance to do something even bigger, but we need your help!

Meet Isreal. He grew up in Wolayita, southern Ethiopia. His family was Orthodox until a man named Mesalay came and witnessed to his father, and his entire household came to know Jesus Christ as their Lord and Savior. As he grew up, he got a calling from God to become an evangelist and plant churches. God called him to Ziway in central Ethiopia. During twelve years, he planted two churches in the city and nine others outside the city. Israel returned to a town near his hometown to study at Bible College, passionate about reaching the people in his own area. He has already planted one church in his area and hopes to continue planting more churches. He was instrumental in helping us with the outreach to the mudslide victims, and now he wants to return to them to meet their spiritual needs and plant a church.

We want to send him, but we need your help. We need monthly, quarterly, or yearly commitments to put him on the field. It costs about \$150 a month to support Israel. Can you do something to help? God is also opening more doors in other locations in Ethiopia. Any amount you can partner with regularly, \$5, \$25, or \$500, helps reach the financial goal of expanding God's kingdom!

Edmond Burke said, "Nobody made a greater mistake than he who did nothing because he could only do a little."

Whatever you give is acceptable if you give it eagerly. And give according to what you have, not what you don't have.

2 Cor. 8:12, NLT

Gift of Financial Partnership

We are asking people to join us in a monthly financial partnership to maintain our current ministry budget and keep expanding the ministry here in Ethiopia. Every amount makes an impact: \$5 or \$500!! If you are already partnering in the work God is doing here, can you increase it by \$5 or \$10 a month? When all of God's people come together to give whatever they can each month, \$5, \$10, \$50, or more, then God takes it and does the miraculous!!
